What inspired your Nomination and how do you feel Nominee would benefit from a gift from The Karen Wellington Foundation for LIVING with Breast Cancer:

KWF relies on the generosity of friends and neighbors to make vacations possible. Do you know of anyone who might like to make a personal financial gift for this particular trip if this recipient is selected? Do you know of anyone who has a vacation home or time share who could donate a week a year? The more gifts we receive, the more FUN we can give to others on our waiting list.
